introduction:

Hello there! I'm award-winning and bestselling author Aaron Ryan, and I'm very pleased to meet you!

I live in Washington state with my wife and two sons, along with Macy the dog, Winston the cat, and Merry & Pippin, the finches.

I am the author of the bestselling "[Dissonance](#)" 6-book alien invasion saga, the post-apocalyptic Christian fiction saga "[The End](#)," the sci-fi thrillers "[Forecast](#)" and "The Slide," the children's picture books "[The Ring of Truth](#)," "[The Sword of Joy](#)" and "[The Book of Power](#)," the business reference business books "How to Successfully Self-Publish & Promote Your Self-Published Book" and "The Superhero Anomaly", 6 business books on voiceovers penned under my former stage name ([Joshua Alexander](#)), as well as a previous fictional novel, "The Omega Room."

When I was in second grade, I was tasked with writing a creative assignment: a fictional book. And thus, "The Electric Boy" was born: a simple novella full of intrigue, fantasy, and 7-year-old wits that electrified my desire to write. From that point forward, I evolved into a creative soul that desired to create.

I enjoy the arts, media, music, performing, poetry, and being a daddy. In my lifetime I have been an author, voiceover artist, wedding videographer, stage performer, musician, producer, rock/pop artist, executive assistant, service manager, paperboy, CSR, poet, tech support, worship leader, and more. The diversity of my life experiences gives me a unique approach to business, life, ministry, faith, and entertainment.

My favorite author by far is J.R.R. Tolkien, but I also enjoy Suzanne Collins, James S.A. Corey, Michael Crichton, Marie Lu, Madeleine L'Engle, John Grisham, Tom Clancy, Tim Lebbon, Christopher Golden, C.S. Lewis, Stephen King and Dave Barry.

I have always had a passion for storytelling. Visit my websites below, anytime.

Also, please note that what you see is what you get. I do **not** employ the use of artificial intelligence in anything that I wrote. My stories come from my heart to yours, without a computer telling any part of it. Thanks again!

- Under former voiceover stage name "Josh Alexander," Aaron has taught:
 - Several well-attended independent Marketing & Voiceover workshops both in person and virtual, averaging at least sixty attendees
 - In-person workshop at the "VO Atlanta" 2022 conference
 - Panelist at the "VO Atlanta" 2022 conference
 - Virtual workshop at "OneVoice" Virtual 2020 conference
- Featured panelist at the 2025 Sci-Fi Fandom meets Faith conference "Doxacon"
- Featured panelist at the 2025 Norwescon conference

aaron ryan

check these out:

26 nearly useless things you didn't know about me, Aaron Ryan:

1. I used to own a pet finch named "Beep."
2. I have a wonderful dog named "Macy" that I refer to as my daughter because I need therapy.
3. As a child, I enjoyed several vigorous spit-fights and rubber-band-fights in-the-dark with siblings when parents were out of town.
4. I am by far Taco Bell's biggest patron. (Does it show?)
5. I set an international and illegal record for consuming the highest amount of elementary school Sloppy Joe's during 6th grade in a desperate attempt to attract a prospective girlfriend.
6. I participated in several talent shows as a youth imitating Michael Jackson. My outfit came complete with shades, many-zippered jacket, and garden glove.
7. I have been at times mistaken, in terms of vocal style, for the Cowardly Lion.
8. I can imitate many famous voices, such as Presidents Clinton, Bush and Reagan, Sean Connery, Ringo Starr, Jimmy Stewart, as well as Australian, British, Russian, French, and New York accents, and I do voiceovers as "the other side" of my career.
9. I still know the entire Transformers Television Cartoon theme by heart and am proudly willing to admit it. In fact I'm prepared to serenade you with it for a small fee.
10. I am deathly afraid of spiders. Don't judge me.
11. My favorite movie is *Aliens*, with Sigourney Weaver. My least favorite movie is *Alien 3*, with Sigourney Weaver.
12. I can hurl tennis rackets at small moving objects with frightening accuracy.
13. I am sadly able to recite the entire Colonel Jessup speech from the movie *A Few Good Men* because I apparently have watched it way too many times. Stop judging me.
14. I volunteer with *World Relief* to drive refugee families from the airport to host homes. Most of them make it there safely.
15. I proposed to my wife in highly dramatic and SUPER-romantic proposal. I will note for the record to all competing men, that I didn't get a "Yes"; I got an "Absolutely!"
16. I was married in 2012 at the tender age of 39.
17. I was first in line after sleepovers outside the Alderwood Mall Apple Store to receive the new iPhone for four years in a row. I said stop judging me.
18. Our eldest son is extraordinarily dramatic, and we simply don't know **WHERE** he gets it. **throws arms out theatrically**
19. For several years in a row, I was #1 on the planet in the now-defunct *Quizup* app's *The Lord of the Rings* movie trivia section.
20. On that note, I have read *The Lord of the Rings* over 150 times. I can hear you judging me.
21. At one time, I was able to type 102 wpm! Seriously! Now it's closer to 13.
22. Because I have kids, I know nearly every single Pixar movie and Pixar short by heart. Also I know what Pixar is. Also before I had children Pixar did not exist.
23. I have a very quick wit and am able to keep audiences engaged by either using said wit or promising gifts of cold hard cash to all those who manage to stay awake.
24. I grow all of my hair myself.
25. *Still* uses Microsoft PhotoDraw, Microsoft Money, and Microsoft Frontpage. It's still 1995, right?
26. I memorized the Gospel of John as a teenager. Hey, that one's not so useless actually!

mission statement:

Author Aaron Ryan exists to provide stimulating narratives that terrify, inspire and delight. Along with that, he lives to provide inspirational speaking engagements and engage in memorable and thought-provoking discussions about all things literature, entertainment, fan fiction, and life.
